Dear Ms. Meyer:

On behalf of the Michigan Chapter I am pleased to submit the documents required for formal affiliation with the Society. You will find the Affiliation Agreement, By-Laws, and the Chapter Membership Directory.

Under Section VII, A of the Affiliation Agreement, the Chapter would like to request that its 501.c.3 status be obtained by the Society through the "group filing" method. The Chapter does not have nor intend to have any employees and has not obtained an EIN number. Currently the Chapter does not have any formal status with the IRA. The Chapter is not required to become incorporated under Michigan law, and has not sought this status.

The Michigan Board is very excited by the potential formal affiliation provides the Chapter and the Society. We are eager to work with the Society in obtaining full implementation and in finding new opportunities for the Chapter and the Society to better serve our members especially in representing Social Work in health care issues.

Sincerely,

David Neal
Mi Chapter President
